**Re: Woods v. The City of New York, et al., No. 15-cv-05167 (SJ) (MDG)**

Dear Judge Go:

This office represents Port Authority of New York and New Jersey in the above-referenced lawsuit.

On or about December 9, 2015, plaintiff's office and this office executed a Stipulation agreeing to limit damages in this matter and to remand the case from this Court back to New York State Court. Then-defendant City Of New York did not execute the Stipulation, but it has subsequently been dismissed from this lawsuit by Order of Judge Sterling Johnson, on or about January 21, 2015, leaving my client as the sole remaining defendant who has appeared in this action.

Accordingly, since the parties have agreed to have this case remanded back to State Court, plaintiff's counsel, Mark J. Linder of Harmon, Linder & Rogowsky, and I jointly and respectfully request that tomorrow's telephone conference with Your Honor be cancelled.

A copy of the aforementioned Stipulation is accompanying this letter.

Respectfully,

A handwritten signature in black ink, appearing to read 'Scott Taylor', is written over the typed name.

Scott Taylor
